Nonessential: The Expansion Paradox

by J.E. Seanachai

Times are changing . . .
And so is the world.

Times are changing—
Not always for the better—
And with that change comes need
And the desire for knowledge.
And with that knowledge
Arises the purpose of life and man
And the origin of want and waste.

NONESSENTIAL: THE EXPANSION PARADOX

Three Men. Two Agendas.
Only ONE Possible Future.
